Dear Clinical Hiring Manager,

I am writing to express my strong interest in joining the Sierra Medical Center team as an Emergency Medicine Physician Assistant. I am currently a Physician Assistant Student at CUNY York college and am set to graduate in December 2021. I am certain that with my eagerness to learn and commitment to working in a team-based community I will be an ideal candidate for this position.

As stated in my resume, my program at CUNY York has allowed me to receive extensive training in my clinical rotations, especially in adult and pediatric emergency medicine. Prior to attending PA school, I have experience working in Stony Brook ER Level 1 trauma center for over 2 years as a medical scribe. Here I was able to work with a variety of providers in the acute and critical care ER setting. I also have experience working in multiple urgent care centers as a medical scribe. I am confident that with my passion for working in the ER, combined with the substantial training I have received during this clinical rotation and my prior experience, that I will make a valuable asset to the team.

With my commitment to having a devoted work ethic and practicing patient centered medicine, I will strive to provide quality and compassionate care to every patient. I am a hard-working professional with a passion for service and the ability to work in a fast-paced environment, and I am excited to be able to apply my skills and knowledge in order to grow as a Provider at this facility.

Based on my qualifications, I strongly appreciate your consideration of me for this position. It would be an honor for me to join this prestigious team of Providers.
